

GMWA Children's Choir

GMWA 50th Annual Convention
Atlanta, GA
July 22-July 28, 2017

Procedures for Atlanta, GA

This year we are asking parents to fill out a registration form when they bring children in on Monday. This will help us keep track of you in case there is an emergency,

All children should have an emergency medical form filled out and turn it in to us on Monday. These forms can be obtained from your Chapter Representative.

There will be a sheet for you to sign your child in and out each day.

Please pick your child up at 3:15p.m. each day in the Hyatt Courtland Room. At this time we will give you updates and information about what will happen during the week.

A supervisor or designated person from your chapter is asked to stay in the rehearsals with the children.

Anyone interested in assisting with the Children's Choir please let us know, Ms.Christine Brown cb@gradcincinnati.org
