Message From  
Atlanta Chapter Representative  
**Evelyn Ellis  
White**

Greetings Atlanta Chapter Members and Friends,

For 44 years, the Atlanta Chapter of the Gospel Music Workshop of America, Inc., has been devoted in carrying out the purpose and mission that was communicated at the establishment of this organization. Rev. James Cleveland and the aggregation of music professionals from around the world made it clear that our unique attributes would serve to make the Church, and solidify the understanding of Gospel Music as an appreciated American Art Form from sea to shining sea. We have continued the mission.

This Project marks a major milestone as it is our 1st Live Recording. We thank God for having reached a level in ministry that allows us the ability to record songs that have been written, produced, directed, and sung by our own Chapter members. We are humbled and proud of what God has allowed to come to fruition.

I am thankful for the many divisions, leaders, members, and supporters who have dedicated themselves to bringing forth the Word of God in song each time we are trusted to Minister to God's creation. A special thanks to my Assistant Chapter Representatives, Board of Directors, Worship and Arts Department, Development Team, Administrative, and Support persons for you all make excellence seem easy.

We cannot do what we do without the support of Pastors and Churches in our city and we are so thankful for those special ones who have opened their doors for rehearsals, musicals, events, and have shown us so much kindness and patience. Especially to Pastor A. A. W. Motley and the Lindsay Street Baptist Church who serves as our host church for rehearsals throughout the year. Other pastors are Dr. R. L. White, Bishop James H. Morton, Rev. John E. Butler, Rev. Camille Holmes, Pastor Tony Mosely, the late Pastor Mack Simmons, Pastor Gregory Sutton, and our host pastor for the Live Recording, Dr. Cynthia L. Hale.

Thank you to everyone who continues to support us, and we look forward to the work and celebrations.

Love always,

Evelyn Ellis White

# THE ATLANTA CHAPTER

The Atlanta Chapter of the Gospel Music Workshop of America, Inc. was formed on January 20, 1976 by a group of singers and musicians who sought to adopt the ideals of the national organization of the Gospel Music Workshop of America (GMWA) and align themselves with other chapters across the country and around the world involved in the promotion and the advancement of gospel music. After petitioning the national organization, a charter was granted to The Atlanta Chapter on May 10, 1976.

The Gospel Music Workshop of America, Inc., Atlanta Chapter received its 501(c)3 designation as a tax exempt organization from the Internal Revenue Service in September of 2007 as an Arts Organization. Like the goals of the national parent organization, the primary aspiration of The Atlanta Chapter is to equip singers and musicians performing in their individual, local churches with the academic and technical training needed to enhance the effective delivery of the gospel message through music. The acquisition of knowledge allows gospel singers and musicians to present gospel music to the world with ever-increasing excellence, professionalism, dignity and pride. The Atlanta Chapter continually provides opportunities for novice vocalists and musicians to hone their crafts and advance their ministerial music careers through performance and interaction with professionals working in the gospel music industry

During the now 44 years since its inception, choirs and other performing groups associated with The Atlanta Chapter have performed before vast audiences in some of the finest auditoriums in the United States. They have performed independently and accompanying and providing musical support for such national Christian icons as the Rev. Keith Pringle, Sandra Crouch, the Rev. Milton Biggum, Dr. Bobby Jones, Dottie Peoples and Lucretia Campbell.

The Atlanta Chapter's Youth and Young Adult Choir performed in concert during ceremonies at the Martin Luther King Center as part of the celebration of 1996 Olympics held in Atlanta, Georgia. Other accomplishments of note include providing background vocals for the award-winning television movie, *The Guyana Tragedy, the Story of Jim Jones*. Voices from The Atlanta Chapter also can be heard on recordings by nationally acclaimed gospel artists such as Dorothy Norwood (*Better Days Ahead*), the Georgia Mass Choir (*I Sing Because I'm Happy*) and Wanda Nero Butler (*Live in Atlanta.*)

The Atlanta Chapter also routinely lends its resource of musical talent to support fundraising events and activities for local churches, schools, and other community services organizations.

The Atlanta Chapter is always striving to share experiences while reaching out to the community with welcome arms and inviting hearts as it encourages the perpetual enhancement of the presentation of gospel music.

Our Chapter Representative is Evelyn Ellis White and her three Assistant Chapter Representatives are Earnestine Gray, Ted Jeans, and Ralph Davis.

*Jesus makes all things new!*

Revelation 21

21 And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.

2 And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband.

3 And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God.

4 And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

5 And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.

Those we love are never really lost to us - we feel them in so many special ways-through friends they always cared about and dreams they left behind, in beauty that they added to our days... in words of wisdom we still carry with us and memories that never will be gone...
